Bicycle Rentals from Lazy River Canoe Rental provide our non-river customers with a chance to enjoy the beauty of the Clarion River Valley. A bicycle rental for the Rail Trail in Ridgway Pennsylvania will take a rider along a beautifully groomed bicycle path. A journey back in time to the era of the steam locomotives and the booming logging industry. This railway provides a journey that takes riders on a path that made our area the hub for fine timber and the best quality leather produced in the united states during the 1800's and 1900's.

*It has been told time and again, that if one bicycles along the Rail Trail and finds a quiet spot to stop at along the way, a person can hear the faint sounds of steam locomotives whistling their one note tune through the hills of the Clarion River Valley!*
